### **JCM Global Brings Proven, Trusted Solutions to G2E Asia**

LAS VEGAS (May 16, 2019) – JCM Global is a long-time exhibitor at G2E Asia, and the show remains an outstanding opportunity for the company to connect with its customers across the region. At this year's show, JCM will be on stand #1319 exhibiting its portfolio of award-winning and industry-leading products that protect the casino floor, while also empowering operators to make deeper connections with their customers.

Leading JCM's show is the iVIZION® bill validator, trusted by operators throughout Asia to secure the casino floor with its unsurpassed CIS Contact Image Sensing technology. iVIZION's CIS stands alone in the industry because it scans the entire note or ticket, front and back, capturing an image clear enough to read a serial number. iVIZION reads more than 9.5 million data points, twice that of the nearest competitive product.

A perfect companion to iVIZION is JCM's ICB® Intelligent Cash Box system, proven throughout Asia to eliminate human errors and speed the entire drop process. Now with web reporting, ICB offers a wide range of live reports in real time from across the casino floor, empowering operators to increase the speed and efficiency of the drop process and to keep each unit running at peak performance.

JCM will also show its GEN5® Thermal Printer. GEN5's faster print speed and larger memory allow operators to communicate a wide range of messages to customers, from simple ticket printing to more advanced couponing messages, allowing for better customer communications.

JCM's patented technology FUZION® works in concert with iVIZION and GEN5 to unleash a world of features and security measures. These exciting features include security monitoring, health performance reporting, transaction recording database, and remote firmware updates.

JCM's PromoNet® promotional ticketing is popular with operators because it can target both carded and uncarded players with offers, giving operators new ways to connect with patrons.

For more information about JCM's award-winning products, visit JCM on stand #1319 at G2E Asia, online at [www.jcmglobal.com](http://www.jcmglobal.com), and on [Facebook](#), [LinkedIn](#), and [Twitter](#).
